

Lakeside Seat

Designer Margaret McCurry started with steel side frames that recall platform swings. Her inspiration for the seating was a picket fence around a Victorian era cottage and reflections of forms in the outdoor environments. In the Lakeside Seat, as in her architecture, the linkage is artfully transformed so, as she puts it, "the history and memory are there, but they're jogged a bit."

Specification:

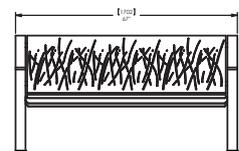

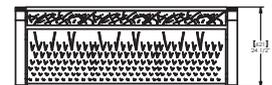

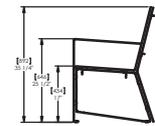

Materials:
Steel. Timber.

Finish:
Pangard II™ powder coated.

Fixings:
Freestanding. Surface mounted.

Dimensions

H: 892mm
W: 1702mm
D: 621mm

(Technical Drawings for variants available on request)
