

## Loop Cone Table

Loop Cone Table may be combined with different seating elements that enables a large number of configurations. For instance Loop Cone Table may be combined with Loop Arc to create a wave pattern of seating with tables interposed. Using HopOp seating bollards on the other hand creates the Loop Picnic set.

The material is suitable for recycling.

### Specification:

#### Materials:

Rotation moulded polyethylene

#### Fixing:

Surface Mounted or fill with water/sand

### Dimensions

Dia: 1130mm  
H: 700mm
