

Loop Picnic Up

Eat, have fun and talk together in a circle! Loop Cone and 6 encircling Loop Up seats provide you with new opportunities to create small, informal seating groups. A table and bench set, where shape, material and color provide fun and maintenance-free seating.

The recycled version is Nordic Ecolabelled.

Sitting together has always been the basis of a good talk.

In early Danish history when the vikings ruled, 'tingstedet' played an important role as a venue for talks, lawmaking and diplomatic agreements. People gathered and sat on large stones that were placed in a circle, often with a larger stone in the middle.

Loop Picnic is perhaps the 'tingsted' of our time? In any case, it is a spot where you can sit together and talk, eat, play and discuss issues.

Loop Picnic is designed by AART Designers and out-sider.

Recycled version is made from 100% recycled polyethylene plastic, of which 85% comes from internal waste and production surplus, while 15% comes from polyethylene bags. Recycled version is ecolabelled, promoting circular economy and fulfils UN's sustainable development goal no.12 – Responsible consumption and production. Recycled version is available in anthracite variant, yet colour can vary from order to order.

Specification:

Materials:

Rotation moulded polyethylene

Fixings:

Free standing or surface mounted

Dimensions

H: Table - 700mm
Seat - 400mm
L: 2600mm
