

## Plateau SunHub

SunHub elevates Plateau Picnic to another level.

SunHub adds a third 'plateau' to the furniture, enabling new technical features and new application possibilities.

With SunHub, Plateau Picnic become more than just a piece of furniture, it becomes a social 'hub'.

It allows users to listen to music via the built-in speakers and Bluetooth connection, charge their phones wirelessly or by cable and PC-charging.

In the evening light from the SunHub grazes the tabletop, creating a cozy atmosphere.

The SunHub is 100% solar powered, resistant to weather conditions, intelligently controlled and CO2-neutral.
