

Wellspring Table

The family resemblance is clear. The Wellspring table and chairs with coordinating litter bin, echo the scale and design details introduced in Wellspring seating, created for restful outdoor spaces.

The dining table has a 1220mm round top with a height of 762mm and accommodates six chairs easily and can accommodate a parasol, if required.

The side table is a 610mm square top with a height of 635mm.
