

## Toso Bench

The Toso Bench is formed from three thick steel tube profiles, spaced apart by two steel tube elements. These are linked with stainless steel tube spacers. The spaces created between the profiles can be used as bike racks. The bench is available in a surface fixed or root fixed option. The structure is hot zined and polyester powder coated.

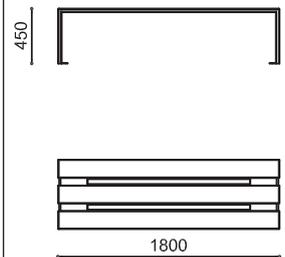

### Specification:

#### Materials:

Frame - powder coated steel

### Dimensions

H: 450mm  
W: 1800mm  
D: 570mm
