

Letters

The Letters are box structures manufactured from thick laser cut welded sheet parts, sand-blasted then hot dipped galvanised followed by an option of polyester powder coated. Each letter is equipped with a 3mm thick brushed stainless steel plinth for ground fixing with M8 bolts (not included). To compose words, the letters and numbers are in a single serif font and not sans serif.

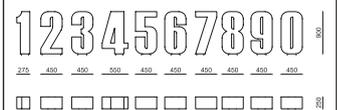

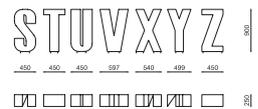

Specification:

Materials:

Body - powder coated steel

Dimensions

H: 900mm
W: 200/600mm
D: 250mm
