

## Charlie Picnic Table

The Charlie picnic table contributes to the sense of movement in a range of vibrant public spaces. The tabletop and seats are floating planes connected, lifted, and supported by the swooping lines of legs that dance on the ground below. The oval form comfortably seats up to six people on two benches and supports social interchange as sitters face each other directly across the table.

### Specification:

#### Materials:

Frame - cast aluminium  
 Top - powder coated steel  
 Fixings - stainless steel

#### Finishes:

Pangard II powder coated

#### Fixings:

Surface mounted.

### Dimensions

H: 764mm
